

**Concrete Volute  
Pumps  
Type BSV**

<b>Part Description</b>	
211	Pump shaft
251	Impeller hub
230	Impeller
430.1	Shaft sealing (make Liquidyne)
314	Oil-lubricated axial spherical roller thrust bearing (top bearing)
322.1	Grease-lubricated spherical roller bearing (top bearing)
322.2	Grease-lubricated roller bearing (bottom bearing)
464	Pump cover
350.1	Axial bearing housing
350.2	Radial bearing housing
360	Bearing cover
332	Bearing pedestal
430.2	Inflatable static seal
921	Shaft nut
503	Wear ring suction side
132	Seal ring pressure side
060	Prefabricated volute
061	Prefabricated suction bell
019	Manhole ring / 019 Manhole cover
721	Discharge transition piece
013	Anchor bolt container
918	Anchor bolts
891	Foundation ring
