

	<p><b>3rd Dimension 3Pc Ball valve</b> Forged or Cast body • SW, TE and BW end connections • ANSI 150-1500 • Soft and/or Metal seating • Full Port only</p>	<p>Size Range 1/4" to 1"</p>	<p>Materials available: All machinable forged alloys Investment cast in 316SS*, Hastelloy C*, Inconel®, Titanium*</p>
	<p><b>SystemII™ Cast Ball valve</b> Investment cast 2pc Body • Fugitive Emissions Packing Standard • RF only • ANSI 150-300 • Full Port only SystemII™ Cast</p>	<p>Size Range 1/2" to 2"</p>	<p>Materials available: 316SS*, Hastelloy C*, Inconel</p>
	<p><b>SystemII™ Titanium Cast Ball valve</b> Investment cast 2pc Body • Fugitive Emissions Packing Standard • RF only • ANSI 150-300 • Full Port only</p>	<p>Size Range 1/2" to 2"</p>	<p>Offered in investment cast Titanium Grade C2*</p>
	<p><b>Noble Alloy Custom Ball valve</b> 100% machined from forged stock • 2Pc • ANSI 150-1500 • Full and Reduced Port • All end connections • Soft and Metal Seats</p>	<p>Size Range 1/4" to 18"</p>	<p>Materials available: Stainless • Duplex • Hastelloys • Inconel, Nickel Alloys • Titanium • Zirconium • and more</p>
	<p><b>CV V-Port control valves</b> Two available V-Ball configurations (30 and 45 degree) for easy Cv sizing. Available in Custom, System II and 3D product lines</p>	<p>Size Range All</p>	<p>Materials available: Stainless • Duplex • Hastelloys • Inconel, Nickel Alloys • Titanium • Zirconium • and more</p>
	<p><b>MP Multiport Ball valve</b> 100% machined from forged stock • 3 way • ANSI 150-1500 • F&amp;R Port • "L" Port • All end connections • Soft and Metal Seats</p>	<p>Size Range 1/2" to 8"</p>	<p>Materials available: Stainless • Duplex • Hastelloys • Inconel, Nickel Alloys • Titanium • Zirconium • and more</p>
	<p><b>Noble Alloy Swing Check valve</b> 100% machined from forged stock or cast • ANSI 150-1500 • Full Port only • All end connections • Integral Metal Seats</p>	<p>Size Range 1/2"- 8" Forged 1/2"- 2" Cast</p>	<p>Materials: Forged Stainless • Duplex • Hastelloys • Nickel Alloys • Titanium • Zirconium • Cast 316SS*, Hastelloy C*, Inconel</p>
	<p><b>Noble Condor™ Alloy Piston Check valve</b> • 100% machined from forged stock or cast • ANSI 150-1500 • Full Port only • Wafer style only • Soft and Metal Seats</p>	<p>Size Range 1/2"- 8" Forged 1/2"- 2" Cast</p>	<p>Materials: Forged Stainless • Duplex • Hastelloys • Nickel Alloys • Titanium • Zirconium • Cast 316SS*, Hastelloy C*, Inconel</p>
	<p><b>Nobleizing Surface Hardening</b> Creates a tough, wear resistant surface on Titanium, Zirconium, Tantalum and other reactive metals</p>	<p>N/A</p>
